

GATHERED AROUND THE TABLE, DISCOVER OUR EXTRAORDINARY EATING GAMES AND THE UNFORGETTABLE ART OF PLAYING WHILE YOU EAT!

### CONCEPT

Share a surprising meal with your table teammates. You will need to show dexterity, adaptation and communication skills in order to eat your meal together while using our games.

### STRUCTURE

Before the event, select the number of courses during which you'd like to play while you eat (cocktail hour, appetizer, main course, cheese, dessert), as well as which games will be associated with them. During the meal participants are seated at a table. Before each course associated with an activity, our game leaders distribute our playful accessories to all participants while announcing the rules of the game, kicking of a ready-set-go once the plates arrive. 3, 2, 1... Play while you eat!

### BONUS

For any event that includes a minimum of 3 games during the meal, you'll receive a complimentary one-of-a-kind beverage challenge: our twin glasses will be made available during the pre-dinner cocktail.

### POSSIBILITIES

We can:

- Organize a challenge during one of the courses
- Offer a prize if you wish to determine one or several winning teams (see our catalogue)
