

TAKE PART IN A PLAYFUL AND INTERACTIVE JOURNEY ENHANCED WITH CULINARY RIDDLES AND FOOD CHALLENGES: A VERITABLE RACE AGAINST THE CLOCK TO DISCOVER AND TASTE AS A TEAM! PE!

## CONCEPT

This high-tech team building exercise takes the form of a culinary race. Answer quiz questions and play while you eat during our culinary challenges in order to win points and take home the victory. A diverse and playful activity that will please all tastes!

## STRUCTURE

Each team (4 to 8 people) receives an electronic tablet which reveals different missions on a map as well as the points earned for each one. By following the tablet's GPS, teams are led to each location and must accept various challenges: quizzes, audio or video questions, cooking or tasting challenges, etc. during which they'll sample fruits, raw vegetables, cured meats, cheeses, cakes (according to the season). Each challenge is monitored live by our activity leaders. The game will last 2 or 3 hours, according to the option selected. Teams will return to a rendezvous point where scores will be announced and prizes will be given to the winning team.
