

COCKTAIL HOUR

ORGANIZE A HANDS-ON WORKSHOP THAT CAN BE QUICKLY AND EASILY INSTALLED, ONE WHICH WILL SURPRISE YOUR GUESTS AND LEAVE THEM WITH A DELICIOUS MEMORY!

CONCEPT

Electrify your cocktail or snack break with an unexpected touch : take part in a playful culinary activity, equipped with our surprising aprons, and savor a few tasty mouthfuls thanks to our eating games. Two activities based on communication, skill, and cooperation sure to spice up your day!

STRUCTURE

Two different stations are set up in the same room. At one of them participants are invited to prepare a brief recipe while wearing an apron that they share with a teammate. At the other station guests are invited to sample a few bites of food while playing. Once participants are finished at each station, they allow a fresh group to arrive and partake in the activity. Guests are thus free to play once, several times, or merely observe from the sidelines.

OPTION

We suggest having a fruit juice cocktail together while using our twin glasses. Can you figure out the proper technique to drink it without spilling a drop ?
