

SURPRISE YOUR GUESTS WITH A TOTALLY OFF THE WALL MEAL INTERSPERSED WITH CULINARY QUIZZES. WILD BOUTS OF LAUGHTER GUARANTEED!

CONCEPT

Answer our food-related quizzes, then enjoy your meal with our one-of-a-kind eating games in order to accumulate enough points to be victorious. A delicious and playful team building experience that brings you closer to your neighbors at the table!

BONUS

Add one of our one-of-a-kind eating games during the main course and we'll include complimentary twin glasses for a unique cocktail hour.

STRUCTURE

Before the event, select the number of courses during which you'd like to play while you eat, as well as which games will be associated with them. During the meal, participants are sat at a table in teams. Before each course, each team attempts to gain points by responding to a quiz on the theme of gastronomy (general culture, audio and video questions). Following the appetizer and dessert quizzes, diners will eat their meal using our unique utensils. However following the main course quiz, diners eat with conventional cutlery. These activities, during which participants will have to rely on logic, dexterity, and patience, will allow them to earn points and bring home the victory! At the end of the meal a prize will be given to the winning team.

We can:

- Take photos of your guests as they play the game and send you a selection after the event
